December 27, 2007

Sir:

This paper is filed in response to the Office Action dated November 27, 2007. Applicants note that the Office Action dated November 27, 2007 contains pages from an Office Action for a different application. The front cover of the Office Action indicates that the Office Action is for the present application (Application No. 10/583,991). However, all subsequent pages of the Office Action indicate that the Office Action is for Application No. 11/013,237.

In a telephone conversation on December 11, 2007 between Applicant's representative and the Examiner, the Examiner indicated that a new Office Action would be mailed.

Applicants request a new Office Action for the present application (Application No. 10/583,991.)

Respectfully submitted,

**WESTERMAN, HATTORI, DANIELS & ADRIAN, LLP**
